- CSS
- Javascript

Education

Bachelor of Education in Japanese
Brawijaya University   2017 - 2022

I am a graduate of the Bachelor of Education in Japanese Language program at Brawijaya University, having completed my studies in 2022. During my time at the university, I developed a strong foundation in the Japanese language, as well as an understanding of various pedagogical approaches to language instruction. This academic experience has prepared me to effectively teach and promote the appreciation of Japanese culture and language in diverse educational settings.

Bachelor of Linguistics in English   2022 - ongoing
Panca Marga University

I am an undergraduate student in the English Language program at Panca Marga University, having enrolled in 2022. My studies focus on developing proficiency in English language skills and understanding literature. I am committed to enhancing my knowledge and preparing for a career in education, translation, and communication.

Experience

Alumnus of the PMM (Independent Student Exchange) Batch 4 in 2024
Andalas University, Padang, West Sumatera   2024 - Currently

I am an alumnus of the Independent Student Exchange program, Batch 4, at Andalas University in Padang, West Sumatra, completed in 2024. During my time there, I participated in the organizing committee for the farewell event for Batch 4, which allowed me to enhance my leadership and teamwork skills.

Independent Study of Web Development & UI/UX Design Flagship at Infinite Learning in 2024
Online   2024 - Currently

During my independent study at Infinite Learning, I focused on developing my skills in web development and UI/UX design. This experience allowed me to explore various design principles and coding techniques, enhancing my ability to create user-friendly and visually appealing digital interfaces.
